The JOE NAMATH CHARITABLE FOUNDATION

NFL Legend & Pro Football Hall of Famer Joe Namath is a Champion both on-and-off the field. Joe has supported numerous charitable causes throughout his life. Through his personal participation with these charities, he has rallied volunteers, sponsors & celebrities to raise over \$100 million.

"The sport of football taught me that life is a team game," Namath said. "We don't accomplish much in life without help from others. Through the foundation we will make a difference in our communities and in the lives of many children, individuals and families."

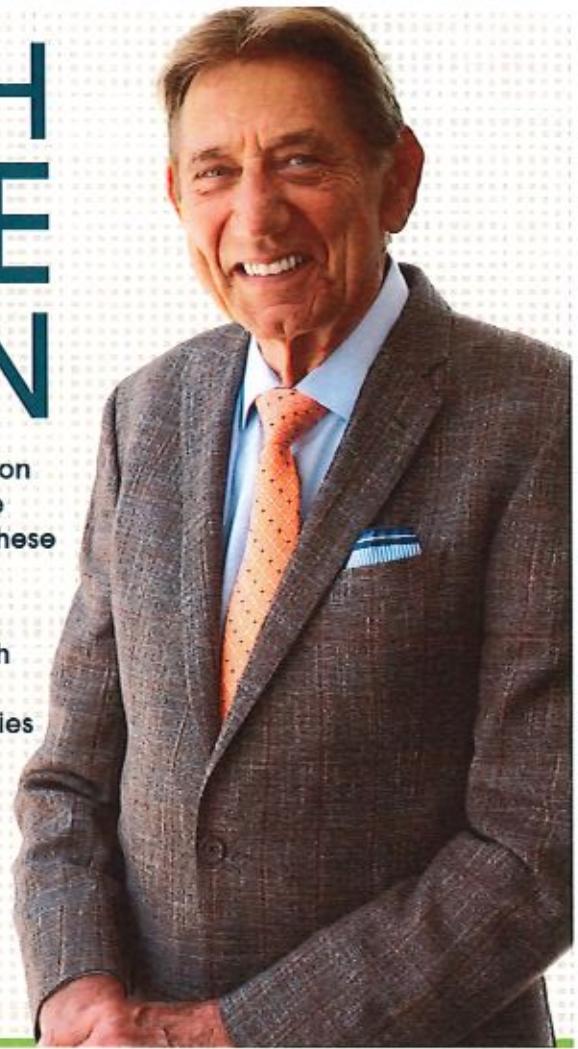

In November of 2017, Namath's team launched the Joe Namath Foundation, a private 501c3 that supports children's charities, neurological research, educational efforts, and special need-based causes. With your help and generosity, we have supported over 90 charitable organizations to date with more to follow.
